

### **ACI, Inc is hiring!**

Do you enjoy working with youth, community leaders, schools and county agencies? Do you want to make a difference in our community? If so, ACI is hiring!

We are looking for a Community Coordinator. This is a part time grant based position. A qualified candidate is outgoing and organized! Responsibilities include developing, implementing, and monitoring projects, while providing leadership and direction to students and volunteers.

The candidate must be organized, be able to direct, plan, and coordinate projects, while working closely with staff, community groups and agencies. The position requires basic computer skills, great communication, occasional evening and weekend availability, possession of a valid Montana driver's license and occasional in and out-of-state travel. A full background check will be conducted on any candidate under consideration for this position. Experience in working with students and school personnel is a plus!

Please submit your resume to: [acimichelleh@gmail.com](mailto:acimichelleh@gmail.com) or [acimattb@gmail.com](mailto:acimattb@gmail.com). Position open until filled.
